Environment, Forests  
and Landscape

 **SWISSmedic**

Swissmedic, Swiss  
Agency for  
Therapeutic Products

## Statement of GLP Compliance

It is hereby confirmed that

during the period of

June 18/19, 2003

the following Test Facilities of

**Institute for  
Biopharmaceutical  
Research, Inc.  
Lauchefeld 31  
CH-9548 Matzingen**

were inspected by Swissmedic, Swiss Agency for Therapeutic Products with respect to the compliance with the Swiss legislation on Good Laboratory Practice.

**Test Facilities**

**IBR**

**Areas of Expertise**

**ACC**

The inspection was performed in agreement with the OECD Guidelines for National GLP Inspections and Audits. It was found that the aforementioned test facilities were operating in compliance with the Swiss Ordinance relating to Good Laboratory Practice [RS 813.016.5] at the time they were inspected.
